Policy

1. School profile

Fleetwood Primary School is located in Narre Warren in the South Eastern growth corridor of Melbourne. We are proudly placed on Bunurong land and pay our respect to leaders past and present. The school was established in 1929 and moved to its current location on Fleetwood Drive in 1996. Our school belongs to the Casey North network of schools with whom we work collaboratively

to provide the best education for the students across our local area. We have 266 students enrolled from Foundation to Grade 6 and 30 school staff members.

Our school grounds back onto native bushland, and we are surrounded by a supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school. Fleetwood Primary School has developed close ties to the local community, and enjoys support from our local shops and community services.

Our school is culturally diverse with 25% of families having a language background other than English (LOTE), with the largest LOTE groups being Chinese (Mandarin), Vietnamese, Afghan and Hindi. The school also has strong representation from the Koorie community. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Fleetwood Primary School is an inclusive community that nurtures and encourages learners to pursue their dreams. We are a school where each child is known and valued for who they are. Students, staff and the community work in collaboration, striving to achieve excellence together. The school values people being responsible, respectful and safe. These values shape our communication with the children and provide a clear lens for us to view learning through. Most of all we acknowledge that a primary school setting should be nurturing, supportive, engaging and fun for our children. The school strives for social and emotional development of each individual and the active promotion of mental health, which leads to an environment suitable for academic excellence.

3. Wellbeing and engagement strategies

Fleetwood Primary School has developed a range of strategies to promote engagement, an inclusive and safe environment, positive behaviour, and respectful relationships for all students in our school.
